

# EXHIBITOR OPPORTUNITIES

ADVANCE YOUR SKILLS | CREATE YOUR FUTURE

May 22, 2019 | Wayne Gretzky Sports Centre | 254 N Park St., Brantford  
| Sanderson Centre | 88 Dalhousie St., Brantford  
Time: 9:00 AM - 3:30 PM (plus set-up/tear down)

## The Event

An exciting one-day career exploration day will provide over 2,000 Grade 7 & 8 students with a look into their future. Epic Jobs 2019 will bring together speakers and exhibitors from advanced manufacturing, motive power, construction and service sectors to introduce our students to skilled trade occupations and apprenticeship. We need your help!

## The Venue

Epic Jobs 2019's exhibition is being hosted at the Wayne Gretzky Sports Centre in Brantford, with the speaker portion of the day happening at the Sanderson Centre. Indoor exhibits are available on Rink 1 & 2 (no ice). There is also a designated outdoor exhibit area. Power, WiFi, and table & chairs are available upon request.

## Exhibit Requirements

Exhibits must be interactive and provide students with a hands-on activity that will help them experience a trade in-action. Students will explore the exhibits as they complete a scavenger hunt activity, encouraging them to ask questions and participate. Get creative...we can accommodate almost anything of any size!

Our planning team is available to help all interested organizations in planning their student experience.

## Exhibit Fee

Exhibit space is provided for \$250.

Note: Exhibit fee is included in all sponsorship packages.
