

# Ideal Future - Examples

## Peter's Example

In my perfect future, I am always on the move. I have a busy job where I have to multitask and make lots of big decisions. People look up to me. I am in charge of people or projects, or things. I never get bored. I have lots of friends. I know lots of people. I have something to do, something different, all the time. When I do have free time (which I don't have much of) I do cool things like sky diving.
